Our Job Placement Program

HAFA's Job Placement Program has been serving the Milwaukee community for over twenty years. Recent surveys of companies using our services rated their overall satisfaction as "good" to "excellent." There is no binding contract or fee for service. This is a free service available to both employers and job seekers.

How Job Placement Works

The Job Placement Program at Hmong American Friendship Association is here to help connect employers and potential employees. The Job Placement Specialist works with many employers and has current job listings available. If you are a participant in this program, you will be contacted when there is a job opening that matches your specifications and qualifications.
